

# UBridge Custom Courses

Supercharge undergraduates with the knowledge and skills they need before the start of term

“ The quality of this work is second to none and must be seen to be believed, and it is the most phenomenal democratisation of education, giving students regardless of backgrounds, postcode lotteries and the capacity to pay, the very, very best resources for success.”  
Prof. Tom Greggs, Marischal Chair of Divinity, University of Aberdeen

# Supercharge undergraduates with the knowledge and skills they need before the start of term

## Address learning gaps and support progression to Higher Education

- Essential Preparatory Courses for HE
- Ready-made and/or add your own content and branding
- Economical Delivery
- Online Marking
- Dashboard metrics of individual progress

## UBridge builds world-class flexible bridging courses

- Relevant to and supportive of a chosen course of study
- Prepare students with the skills needed to succeed
- Gap-learning
- Remediation learning
- Ensure all students are at the same start point

### Curriculum or customised content aimed at ambitious students

All content is developed by Academy Learning's team of scholars, working in partnership with schools and universities. Core content is aligned with UK A level specifications. You may choose from readily available bridging courses, or request a bespoke solution for your students.

### Off the Shelf or bespoke Micro-Lessons in your Choice of Subjects

Philosophy

Ethics

Religious Studies

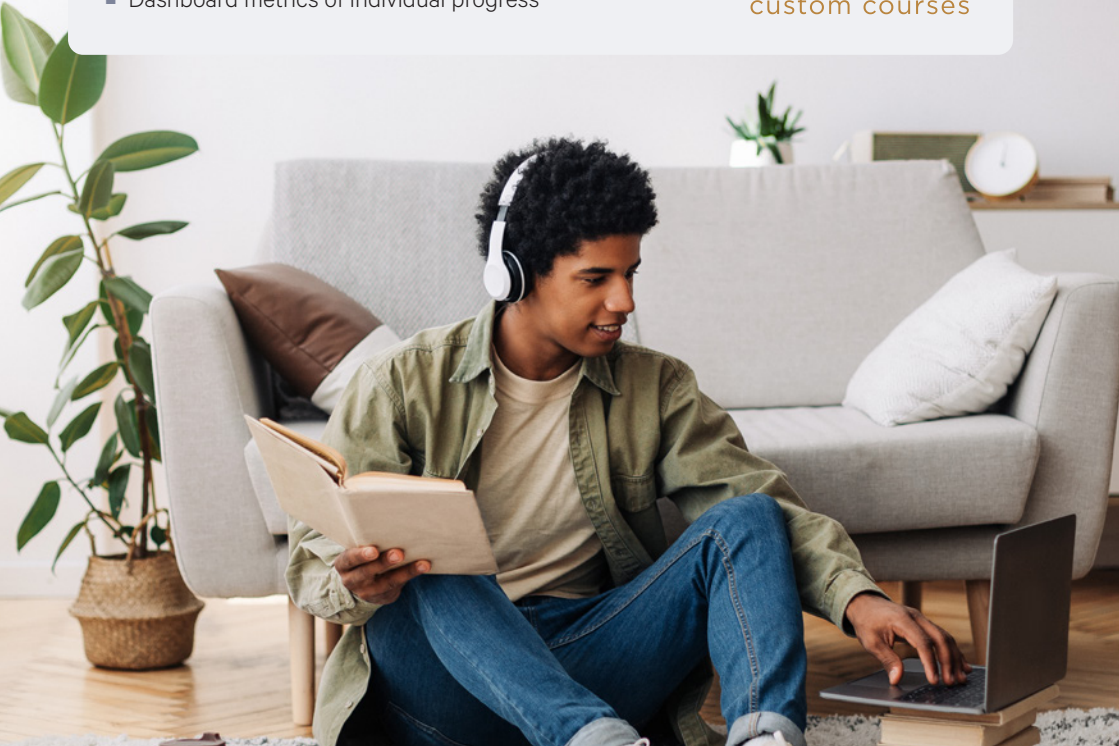

Theology

General Knowledge
